

FIRE ISOLATOR

Datasheet Fire Isolator Steel Cabinet

Product description

The Fire Isolator Steel Cabinet is built strong, specifically made to store the Fire Isolator blanket and other Fire Isolator products securely. This cabinet offers a safe and convenient storage solution, keeping your Fire Isolator Blanket easily accessible, close to potential EV fire risks.

Crafted from sturdy sheet steel in a striking red color, our Steel Cabinet is equipped with breakable glass for emergency situations and comes with instructions on how to deploy the Fire Isolator blanket.
